

End of Day (EOD) Report

Date: 20th July, 2026

Name: M. Abdullah Asim

Accomplishments

- Complete the quiz based on week 1 progress
- Connect Wazuh agents to the main Wazuh server through tailscale
- Connect the wazuh server with rsyslog server.
- Upload task reports onto Github along with a readme file for wazuh server.

Challenges

- Unavailability of internet along bridge networking issues prevented us from connected all the wazuh agents. Only a few were connected.
- Troubleshooting in connection to the rsyslog server due to unavailability of internet connection.

What's Next

- Finish the wazuh project and connect all agents.
- Prepare for quiz 2 based on week 2 progress.

Status

Completed today's tasks

Regards,

M. Abdullah Asim
